What you earn and how you may promote

What you earn

You earn a fixed payout for each product a referred customer buys. The amount depends on what they buy, not on how long they stay.

What the customer buys	Your payout
Single products: AI-ready smart website, Review automation, AI web chat and Welcome Mat, AI receptionist, Missed-call text-back	£50 for each product
Single systems: Get Found system, Get More Leads system	£100 for each system
Lead Engine	£150
AI Business Engine, all three tiers (Build, Growth and Scale)	£200

The payout is the same whichever billing option the customer chooses (monthly or yearly) and whichever team size band they are in. Each payout is a single fixed amount, paid once for each product a referred customer buys, after their first payment clears. It is not paid again on later monthly or yearly renewals. Payouts are in pounds sterling. If a customer buys more than one product, you earn the payout for each product [1].

How you may promote Real Business Systems

You may promote Real Business Systems through any honest channel: content, social media, email newsletters or reviews. Four rules apply.

- Disclose your affiliate relationship clearly in every piece of content, in line with UK ASA/CAP rules and, for US audiences, FTC guidelines.
- Make no false or misleading claims about Real Business Systems' features, pricing or results, and do not invent income or earnings figures.
- Do not send spam or unsolicited bulk messages, and do not bid on the Real Business Systems brand name in paid-search campaigns.
- Do not create self-referrals or use domains that could mislead visitors about your relationship with Real Business Systems.

Payouts, data and this agreement

Payouts are earned only when a referred payment clears successfully. If a payment is refunded or charged back, its payout is reversed. We

may withhold or deny payouts where we identify fraud or a breach of these terms.

> **Tax on your earnings**
>
> You are responsible for declaring and paying any tax on your affiliate earnings. Real Performance Solutions does not withhold tax from payouts.

Your data and consent

Real Performance Solutions stores and processes your name, email address, payout details and tax information to run the programme and pay you, under UK GDPR. You agree to receive programme emails covering account activity, payouts and programme updates. You may opt out of marketing messages at any time, but essential operational notices cannot be opted out of. To exercise your data rights, contact us via your Affiliate Portal or at support@lc.realperformance.co.

Relationship and ending

You are an independent contractor, not an employee, agent or partner of Real Performance Solutions. Either side may end this agreement at any time by written notice, and payouts already earned on valid sales before that date will still be paid. We may update these terms with reasonable notice, and continued participation means acceptance. This agreement is governed by the laws of England and Wales.

Agreeing to this

You accept this agreement by ticking the agreement box on the application form at realbusinesssystems.com/affiliates. Doing so confirms that you have read and agree to these terms and that you consent to your personal data being processed as described above. We keep a record of when you agreed.
